American Society for Public Administration
Los Angeles Metropolitan Chapter
9227 Florence Ave., Suite 23, Downey, California 90240

April 10, 2000

The Honorable Rodney E. Slater
Secretary of Transportation
401 7th Street SW
Washington, DC 20590

Dear Mr. Secretary:

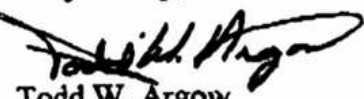

On the behalf of the American Society for Public Administration (ASPA), Los Angeles Metropolitan Chapter, we are pleased to inform you that Sarwar A. Samad of FAA Western-Pacific Region, Airports Division, will be presented the *Harry Scoville Award* at our Awards Ceremony, on Thursday, May 4.

We would like to take this opportunity to invite you to the ceremony. This event will be held at the Wilshire Grand Hotel, Los Angeles. We hope that if your schedule permits, you will consider attending. No doubt, your presence will be a fitting tribute to Mr. Samad.

ASPA is a prestigious, non-profit, voluntary, organization dedicated to fostering excellence in public service. Founded 61 years ago, it has about 10,000 members and 120 local chapters representing all the major federal, state, and local public agencies. The *Harry Scoville Award* is considered one of the highest public service recognition given by ASPA's L.A. Metro Chapter. Mr. Samad's publications relating to the FAA mission and programs have contributed significantly to the public's understanding of the FAA mission to safeguard the flying public and elevated the FAA to a higher level of professional respect. His noteworthy contributions have benefited the aviation community, various industries and professionals.

Please join us in honoring Mr. Samad. A copy of our Awards Program is enclosed. If you have any questions, please call me at (714) 535-7711 ext. 250. Thank you.

Respectfully,

Todd W. Argow
Chairman, Awards Committee
ASPA

NEWS

SARWAR A. SAMAD ELEVATED TO "FELLOW"

WITHIN THE AMERICAN SOCIETY OF CIVIL ENGINEERS

Washington, DC, August 2, 1995 - Mr Samad, a member of the American Society of Civil Engineers (ASCE) and a Construction Manager with Daniel, Mann, Johnson and Mendenhall (DMJM) of Los Angeles, California, was recently elevated to the membership level of "Fellow" within the Society. The "Fellow" designation is considered one of the highest professional recognitions civil engineers can receive from their peers, second only to the "Honorary Member" designation in complimentary status.

To be eligible for elevation to the grade of Fellow, an ASCE member must be a legally registered engineer or land surveyor, and have had responsibility spanning 10 years, in the grade of member, of important work in engineering or surveying and be qualified to direct, plan, or design engineering works.

An ASCE member may also be elevated if he or she has had responsible charge of important industrial, business, construction, educational, editorial, research, or engineering society activity, requiring the knowledge and background gained from engineering training and experience.

In bestowing the grade of "Fellow" on Mr Samad and other ASCE members, ASCE President James W. Poirot pointed out that "the work of these members realizes a major civil engineering goal:

"to serve as guardians of the public good".

Founded in 1852, ASCE is the oldest national engineering society in the country and currently has over 110,000 members worldwide.

Mr. Herman C. Bliss
Divisional Manager, Airports Division
Western Pacific Region
15000 Aviation Boulevard
Hawthorne, CA 90250

Dear Mr. Bliss:

We are pleased to inform you that Sarwar A. Samad, CCE will be presented the Technical Excellence Award from AAACE International at our Awards Luncheon ceremony, in Denver, Colorado.

We would like to take this opportunity to invite you to the awards ceremony. Your presence, no doubt, will be a fitting tribute and show of support to this outstanding employee of your division.

Please join us in the Evergreen Ballroom of the Denver Marriott Tech Center Hotel to honor Sarwar. We look forward to seeing you on Tuesday, June 29th, at 12:15 p.m. Please stop at the registration desk in the hotel lobby and pick up your luncheon ticket and badge.

The Technical Excellence award is considered one of the highest professional recognitions a member can receive from AAACE International. Sarwar is a longtime contributor to AAACE's stream of technical products, and this award, nominated by our Technical Division, is a reflection of their esteem for his work in the past.

A copy of our Annual Meeting program is enclosed. You are welcome to participate in any events listed as you see fit.

Sincerely,

Barry G. McMillan

Subject: Nomination for AACE Technical Director

Dear Sam,

As Chair of AACE Nomination Committee, I am asking if you would run for office for the Association's Board of Directors. This position is for 2 years which would require 3 Board meeting's per year of which one is the annual meeting. The Board meetings occur on a weekend and are located at various places in the United States. Your responsibilities would be to coordinate the activities of all the Technical Committees within your directorate. Attached is an outline identifying the specific responsibilities of a Technical Director. I have personally served on the Board of Directors for the past 8 years and this is a great opportunity to network with other professionals and to get a first hand knowledge of the latest state of art activities in cost engineering, cost management profession.

I hope you are able to run for office and I look forward to hearing from you.

Sincerely,

Tom G. Mendel, CCC
Chair Nominating Committee
